Java Jeopardy Review

Let's play!

Formal Evaluations: Extra Questions

#24: The time I spent on CS 211 was

5. More than ANY other class I've EVER taken or ever WILL take (until CS 310)
4. More time than other classes
3. About the same as other classes
2. A bit less time than other classes
1. Much less than other classes

#25: Doing Projects and Lab exercises

5. Built the incredible Java muscles I now flex at the beach
4. Almost always helped me learn how to program better
3. Helped me learn java concepts about half the time
2. Helped me a little to learn java
1. Was just busy work

#26: Lab Exercise Attendance:

5. Skipped!
4. Went once or twice
3. Went about half the time
2. Only missed a few
1. Attendance award please!

#27: On Lab Exercises I...

5. Usually copied a friend's code
4. Worked closely with others
3. Collaborated some, coded myself
2. Worked mostly alone
1. Always worked alone

#28: My most FAVORITE project was

5. P6 Crawler/Index
4. P5 Testing/Debugging
3. P4 Gatesim
2. P3 Spellchecker
1. Other
